This week in Nursery we are learning all about...

Jobs

This week in Nursery we will be learning all about jobs around us, talking about what the children may like to be when they're older and why...? What would be your child's Dream Job? Footballer? Dancer? Teacher!?! We are setting up a variety of role play areas for the children to learn what it could be like to be a shop keeper, café owner, post office worker, builder, mechanic or hairdresser. The children will be making parcels to deliver to their friends, fixing the cars and bikes, writing price and food labels for supermarkets as well as creating amazing hairstyles for the teachers!

What you can do at home...

- ❖ Watch Postman Pat, Bob the Builder or other TV shows and talk about the jobs the characters do.
- ❖ Draw a picture of what job they would like to do when they are older and say why.
- ❖ Discuss with children first hand experiences of what jobs you might be in or ask grandparents, family or friends to talk with children.

Sign of the week...

Good Job!

Number challenge of the week...

Count how much there is in the piggy bank or a purse! Count the 1p and 2p coins together, how much does it make altogether? As an extra challenge, can you add 5p or 10p coins?!

Remember!

You can help your child with phonics by getting them to sound out objects at home e.g. t-a-p and b-e-d

Activity Money

Thank you so much to all of you who have contributed Activity Money this year. It allows us to create all those little extra fun and memorable experiences for your wonderful children! ☺
