

Reception

Next week, we will be continuing our topic 'On the farm'. Our children are so excited for the trip to White Post Farm on Tuesday! Throughout the week we will be creating a panoramic farmyard display, looking at the lifecycle of a chicken and making scarecrows!

Things you can do at home:

- Talk to your child about what they got up to on our trip to the farm. Can they tell you what animals they saw? Which were their favourite? Can they tell you the events of the day in order?
 - Watch 'Down on the farm' on Cbeebies:
<http://www.bbc.co.uk/iplayer/cbeebies/episodes/b0798kz4>
- Read some farmyard stories with your child and ask them to talk about the animals in the story. If you don't have any, we have lots of farm stories in our school library!

Activity Money

A huge thank you to those who have paid this term's activity money. Activity money is £3 per term so if you have not yet paid then please send it into the office or to your child's teacher before the end of term.

Thank you.

Summer is finally here!

Please can we remind you to bring in sun hats and sun cream on days when it is particularly sunny. Our children spend a lot of time outdoors and we will be talking to them about the importance of keeping themselves safe in the sun!

Our children have access to their water bottles all day and so therefore drinks from home are not needed to be brought into school, thank you.

Keep on practising!

Don't forget to practise reading and writing at home, every little helps! Our children have really enjoyed making up and writing their own sentences about different pictures. Attached to this newsletter are some pictures you can use at home, along with some example sentences and red words. Please encourage your children to write these independently, using their phonics skills. Please bring in any sentences they write, we would love to see them!

Trip to the farm on Tuesday

Just a reminder that it is school uniform and suitable footwear should be worn. Don't forget lunch if you have chosen to provide your own, and sun cream and hats if the weather is nice (we will let you know nearer the time).

Signs of the Week:

Pig

Horse

Sound of the Week:

'Down a horn up a horn
and under his head.'

Can you practise saying and writing the sound at home? What different things can you find that start with the sound 'y'?
