| Byron | Sillitoe | Lawrence |

As Clownfish class have been split for the three performances, Reception staff will notify Reception parents of which performance their child will be in to allow you to buy tickets for the correct performance.

Tickets cost £1.50 and will admit one person only. Tickets will be on sale from the school office from **Monday 10th July**. **Parents and Carers will be able to purchase 2 tickets per transaction on a first come, first served basis.** Once the tickets are sold out, there will be no more available.

We try to be as fair as possible with the distribution of tickets and hope that you will understand that we have to comply with fire regulations when arranging seating for this event.

Our Year 6 children have been working extremely hard on their acting and the delivery of their lines. To avoid potential disruptions affecting the children's performance on stage, please try to refrain from bringing babies and small children along with you. Furthermore, please ensure that you remain in your seats until the end of the show as all children who have taken part, including the class scenes, will feature in the grand finale!

This is proving to be a really exciting and unique production and all the children are already looking forward to being able to show you their work.

Yours sincerely
