Head of School: Mr B Skirton

30th June 2017

Dear Parents/Carers

We are writing to you regarding the Universal Free School Meals that have been available to your child this year.

As this scheme is only available for pupils up to Year 2 your child will no longer qualify for free meals under this Government Scheme from September 2017.

If your child has an income based free meal authority your child will still be eligible to receive free school meals in Year 3.

Please come to the school office if you need to apply for income based free school meals or would like further information so that it will be set up in readiness for the new Academic Year in September.

If you do not qualify for free school meals and would like your child to continue to have a school meal the cost is £9.50 per week (£1.90 per day). This will need to be paid in advance at the school office or you can pay online. If you wish to pay online please come to the school office and we will be pleased to give you an online payment letter, which will give you the secure access information together with password.

If your child is currently having a school dinner but would like to change to bringing a packed lunch in September please let the school office know.

Yours sincerely

Mrs J Horan
